- Diagnose and repair fleet vehicles on-site (including brakes, electrical, suspension, engine components, etc.)
- Perform preventative maintenance services (oil changes, filters, fluids, inspections)
- Maintain accurate service logs, repair notes, and parts usage
- Travel to customer sites using company-provided or approved service vehicle
- Ensure safety standards and cleanliness of mobile work area
- Communicate clearly with customers and dispatch

---

### Requirements

- 3+ years of mechanic experience (ASE certification preferred but not required)
- Strong diagnostic and troubleshooting skills
- Must have own tools (or be willing to acquire)
- Valid driver's license and clean driving record
- Ability to work independently in the field
- Professional and customer-service focused attitude

---

## Pay & Benefits

- Competitive hourly rate or flat-rate pay (DOE)
- Company apparel and mobile equipment
- Flexible schedule with room for growth
- Opportunity to help shape a growing division under The P3 Companies
- Potential for tool/equipment stipend or bonus for performance
